

THE 2 INGREDIENTS FOR

# the ultimate party

Every dollar donated goes toward our monthly birthday parties. Donations become gifts for the children, fun activities, cake and icecream, and decorations.

Party Masters are the spirit of Happy Birthday Inc., making each child feel celebrated. They are the basketball partner, pizza slice server, and high-five giver!

Donations and volunteers come together to create the ultimate party. Every dodgeball, every song, every candle— everything we do provides children with a bit of love and happiness.

When the party ends, each child celebrated that day cherishes the time spent playing, laughing, and filling up on sugar. And more importantly, they leave the party with a happy memory.

Email us at [PartyFund@HBdayInc.com](mailto:PartyFund@HBdayInc.com) to give to our next party!

Happy Birthday Inc. Has set out to change the lives of children in the Kansas City area by throwing birthday parties at foster care group homes. We want to celebrate these children and we invite the Kansas City community to get involved in one of the most fulfilling experiences - helping to leave hearts in better shape than they were found.
